From House Committee Chairman

Dear Members,

I would like to take this opportunity to address some problems we had with some members and their guests in the last few months.

You, the member, are not only responsible for your actions, but are responsible for your guests' actions. If they cause problems, it will be your problem.

This is a CLUB (NOT A BAR). If you or your guests want to go somewhere and cause problems, this is not the place!

We will not tolerate anyone causing trouble in this club. We want members and their guests to come, have fun and have a good time of fellowship—not have to worry about someone giving them or others a hard time.

I ask that you take time to read the Club Rules posted on the bulletin board at the front entrance.

If you or your guests cannot come to this club for a good time, please do not come!

On a lighter note, don't forget the club's two biggest events — Budfest June 8–9 and Sportsmen Drawing September 8.

Come and support your club.

*With Freedom, Friendship and Charity
Denny Hose, House Committee Chairman*

How to become a member of Red Feather Council #59

You must be sponsored by a Red Feather Council #59 member in good standing (which means that their dues are paid). **That Red Feather member needs to attend a Red Feather meeting (the 2nd and 4th Thursday of each month at 7:00 p.m.) to receive an application to sponsor a person for adoption (to become a new member).** The application is to be filled and signed by the person wanting to become a member and include a non-refundable application fee of \$25.00. The Red Feather sponsor also must sign the application.

When your application for membership is turned into the Keeper of Records, it is read on the floor and sent to an investigating committee, then at the next meeting your application is voted on and if your application is elected you will receive a letter giving you a date and time to come to a meeting to be obligated. This could take up to two months.

We have a limited number of applications to give out each year. Any questions, call Jo Ellen Swartz, PGP at 301-223-8839. If no answer please leave a message and I will get back to you as soon as I can.
